Floral Art Demonstrator/Tutor

Dear Chairman,

I hope this message finds you well.

I am currently an Area Tutor and, having recently completed my Level 3 Award in Education and Training qualification, I am now considering working towards becoming a National Tutor within NAFAS. Over the past few years, I have delivered a number of successful workshops—both within the Area framework and independently—for a range of businesses and organisations, including the National Trust. I was also honoured to be invited by Judith Blacklock to teach at her school in Knightsbridge, London.

I have developed a selection of unique designs that I believe may be of interest to your members. I have attached some sample images for your consideration, and further examples can be found on my website: www.louiseanddeb.com, which I run jointly with my sister, Louise Jones, who is also a demonstrator and tutor.

Although I am based in Liverpool, I am very willing to travel and have previously run workshops as far afield as Aberdeen and Oxford. I would be delighted to discuss how we might arrange a workshop tailored to your members' interests and needs.

Thank you very much for your time and consideration. I look forward to the possibility of working with you in the future.

Warm regards,
Debbie Davies
